

A1 MERCOLEDÌ

03.11.2021

19:00 - 20:30

Yesterday (03,11,2021) we started with the verbs: "ARE" "ERE" and "IRE" and we continued to work on them throughout the lesson. We listened several times the track of the ex. 3, page 35 ("vorrei") and then you completed it. Then I became a restaurant waitress and you ordered lunch using the menu (ex. 6, page 36). You have listened twice to the track of ex. 7, p. 37 and then you have listened and read and answered the questions (Volere / Preferire). Finally you have "apparecchiato" the table using the ex.10, p. 39. Great job!

hw / tasks: ex. from p.158 to p.161 + Katie and Matteo video.
